I told you I would be available noon on Saturday. And I asked you to put in writing the reason you told me I was terminated.

Please resend the last two emails you have sent to me so I can review. I have not received them with the time that you have chosen for Saturday. If I had I would have written back to confirm the time, instead of asking you to confirm when you'd prefer to return to the facility.

Thanks!

I am awaiting confirmation from you on the time this Saturday September 17<sup>th</sup> that you would like to return to the facility in Gallatin to pick up your personal items. Please send me confirmation in writing on the time you have chosen so I can make the necessary arrangements.

If you are unable to return to the facility on Saturday, please propose a few alternate dates and times for us to consider.

Thanks!
